THIS WOMAN'S SICKNESS

Quickly Yielded To Lydia E. Pinkham's Vegetable Compound.

Bridgeton, N.J.—"I want to thank you thousands times for the wonderful good Lydia E. Pinkham's Vegetable Compound has done for me. I suffered very much from a female trouble. I had bearing down pains, was irregular and at times could hardly walk across the room. I was unable to do my housework or attend to my baby I was so weak. Lydia E. Pinkham's Vegetable Compound did me a world of good, and now I am strong and healthy, can do my work and tend my baby. I advise all suffering women to take it and get well as I did."—Mrs. FANNIE COOPER, R.F.D., Bridgeton, N.J.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ills, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact.

For thirty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, tumors, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

EXERCISE AND GREEK BEAUTY

WHAT IT MEANS

Many thousands of women are now-a-days paying attention to physical culture and the proper exercise of their body muscles, where thirty years ago or fifty years ago there was no thought expended on this science, which is quite necessary for the physical beauty. The reason the Greeks, both men and women, were so beautiful and symmetrical forms was because of the attention they paid to the proper exercise. Then, too, they were untrammelled by corsets, shoes and the inconvenience of clothing. To the minds of some women the idea of physical exercise conveys only the idea of hard fatiguing work. Mild exercise continued day after day is best for the body and spirits and health. Without proper exercise there can be no health, and without health there can be no real beauty.

There is no stronger proof of the sound remedial value of Dr. Pierce's Favorite Prescription than that it restores the wasted form to its wanted roundness.

The mildly restorative power of Dr. Pierce's Favorite Prescription quickly causes all womanly troubles to disappear—compels the organs to properly perform their natural functions, corrects displacements, overcomes irregularities, removes pain and misery at certain times and brings back health and strength to nervous, irritable and exhausted women.

It is a wonderful prescription prepared only from Nature's roots with glycerine, with no alcohol or falsely stimulating. It banishes pain, headache, backache, low spirits, hot flashes, dragging-down sensations, worry and sleeplessness surely and without loss of time.

Sick women are invited to consult Dr. Pierce, by letter, free. Address Dr. Pierce, Invalids' Hotel, Buffalo, N. Y.—Adv.
